

Halifax Art Festival Patron Program

November 5-6, 2022

Beach Street - Daytona Beach, Florida

The Patron Program is designed to encourage and guarantee participation in the Halifax Art Festival while offering the Patrons special activities before and during the festival.

You can become a Patron for as little as \$100 or any other greater amount you wish to contribute. For every amount you contribute, one-half of the amount goes to the MOAS Guild to support the Festival and one-half comes back to you, the Patron, in **Patron Dollars** for you to spend at the Festival.

The benefit is to the artists who considers Patron dollars as prize money and to you and the enjoyment of spending your Patron Dollars at any of the Festival booths.

Your purchase entitles you to invitations to “**Patron Parties**” prior to the Festival. The last party will be in the week of the Festival when you will receive your Patron packet and Patron dollars.

During the Halifax Art Festival, a **Patron Retreat** will be available for you to take a break, use the restroom, and relax before going back to your shopping and enjoyment of the Festival. The Patron Retreat is supplied with sandwiches, snacks, soft drinks and wine.

In your Patron Packet, you will receive Award Ribbons that you give to the artist when you spend your Patron Dollars. It is meaningful to the artists to display the ribbons to those enjoying the festival indicating they have received Patron Dollars.

If you would like to participate in the Patron Program as an Artful Friend and waive receiving the Patron Dollars, 100% of your dollars will go to MOAS Guild to support the Festival. Questions: Sherry Erbe 386-679-8534 or jobe896@aol.com
